

## INFORMATION REGARDING THE GPSR

Greenprint S.C. Maciej Blok, Jacek Blok, Andrzej Blok, with its registered office in Dąbrowa Górnica (the “Company”), declares that, acting as a manufacturer and distributor of textile products and as a provider of decoration (personalization) services for such products, it complies with product safety requirements and fulfils the obligations arising from Regulation (EU) 2023/988 of the European Parliament and of the Council of 10 May 2023 on general product safety (GPSR), both in relation to its role as manufacturer and as distributor.

In order to ensure the highest level of safety of the products offered, the Company conducts regular risk assessments related to their use and takes appropriate preventive measures in the event of any identified potential hazards, in accordance with Articles 9 and 12 of the GPSR.

Based on the conducted safety assessment and risk analysis, it has been determined that the identified hazards associated with the use of the products are minor and do not pose a significant risk to consumers’ health or safety. The form, purpose, and manner of use of the products are intuitive and consistent with common user expectations.

Therefore, the products can be safely used in accordance with their intended purpose as defined by the Company, without the need to provide additional instructions or information concerning their safe use. Nevertheless, appropriate safety warnings concerning product use are available on our website for each product.

Any complaints, comments regarding our products, or information about accidents or safety-related issues should be submitted by email or by traditional post to the addresses provided:
